WHEREAS, an action is pending before this Court entitled *Evanston Police Pension Fund v. McKesson Corporation, et al.*, No. 3:18-cv-06525-CRB (the "Litigation");

WHEREAS, the parties having made application, pursuant to Federal Rule of Civil Procedure 23(e), for an order preliminarily approving the settlement of this Litigation, in accordance with a Stipulation of Settlement dated November 30, 2022 (the "Stipulation"), which, together with the Exhibits annexed thereto, sets forth the terms and conditions for a proposed settlement of the Litigation and for dismissal of the Litigation with prejudice upon the terms and conditions set forth therein; and the Court having read and considered the Stipulation and the Exhibits annexed thereto; and

WHEREAS, unless otherwise defined, all terms used herein have the same meanings as set forth in the Stipulation.

## NOW, THEREFORE, IT IS HEREBY ORDERED:

- 1. After a preliminary review, the Settlement appears to be fair, reasonable, and adequate. The Settlement: (a) resulted from arm's-length negotiations overseen by an experienced mediator; (b) eliminates the risks to the Parties of continued litigation; (c) does not provide undue preferential treatment to Lead Plaintiff or to segments of the Class; (d) does not provide excessive compensation to counsel for the Class; and (e) appears to fall within the range of possible approval and is therefore sufficiently fair, reasonable, and adequate to warrant providing notice of the Settlement to the Class. Accordingly, the Court does hereby preliminarily approve the Stipulation and the Settlement set forth therein, subject to further consideration at the Settlement Hearing described below.
- 2. A hearing (the "Settlement Hearing") shall be held before this Court on 6/2/2023 , at 10:00am. [a date that is at least 100 days from the date of this Order], at the United States District Court for the Northern District of California, Phillip Burton Federal Building & United States Courthouse, Courtroom 6 17th Floor, 450 Golden Gate Avenue, San Francisco, CA 94102, for the following purposes:
  - a. to determine whether the Settlement is fair, reasonable, and adequate, and should be approved by the Court;

- b. to finally determine whether Judgment as provided under the Stipulation should be entered, dismissing the Complaint on the merits and with prejudice, and to determine whether the release by the Class of the Released Defendant Parties as set forth in the Stipulation, should be ordered, along with a permanent injunction barring efforts to bring any Released Claims or Released Defendants' Claims extinguished by the Settlement;
- c. to finally determine whether the proposed Plan of Allocation for the distribution of the Net Settlement Fund is fair and reasonable and should be approved by the Court;
- d. to consider the application of Lead Counsel for an award of attorneys' fees and expenses;
- e. to consider Class Members' objections to the Settlement, Plan of Allocation or application for fees and expenses; and
- f. to rule upon such other matters as the Court may deem appropriate.
- 3. The Court may adjourn the Settlement Hearing without further notice to the members of the Class, and reserves the right to approve the Settlement with such modifications as may be agreed upon or consented to by the Parties and without further notice to the Class where to do so would not impair Class Members' rights in a manner inconsistent with Rule 23 and due process of law. The Court further reserves the right to enter its Judgment approving the Settlement and dismissing the Complaint, on the merits and with prejudice, regardless of whether it has approved the Plan of Allocation or awarded attorneys' fees and expenses.
- 4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court hereby certifies, for the sole purpose of effectuating the Settlement, a Class defined as follows:

All Persons that purchased or acquired McKesson common stock between October 24, 2013 and October 27, 2016, inclusive ("Class Period"). Excluded from the Class are Defendants and their families, the officers and directors of McKesson during the Class Period, members of their immediate families, and their legal representatives, heirs, successors or assigns, and any entity in which Defendants have or had a controlling interest. Also excluded from the Class will be any Person who timely and validly seeks exclusion from the Class.

5. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, and for purposes of settlement only, Pension Trust Fund for Operating Engineers (the "Fund") is appointed as representative of the Class, and Lead Counsel Robbins Geller Rudman & Dowd LLP is appointed as Class Counsel for the Class.

- 6. With respect to the Class, this Court finds, for purposes of effectuating the Settlement only, that the prerequisites for a class action under Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure have been satisfied in that: (a) the members of the Class are so numerous that joinder of all Class Members in the Litigation is impracticable; (b) there are questions of law and fact common to the Class; (c) the claims of the Lead Plaintiff are typical of the claims of the Class; (d) the Lead Plaintiff and its counsel have fairly and adequately represented and protected the interests of all Class Members; (e) the questions of law and fact common to the Class predominate over any questions affecting only individual members of the Class; and (f) a class action is superior to other available methods for the fair and efficient adjudication of the controversy, considering: (i) the interests of the members of the Class in individually controlling the prosecution of the separate actions; (ii) the extent and nature of any litigation concerning the controversy already commenced by members of the Class; (iii) the desirability or undesirability of concentrating the litigation of these claims in this particular forum; and (iv) the difficulties likely to be encountered in the management of the Litigation.
- 7. The Court approves, as to form and content, the Notice of Pendency and Proposed Settlement of Class Action (the "Notice"), the Proof of Claim Form (the "Proof of Claim"), the Summary Notice and the Postcard Notice, annexed hereto as Exhibits A-1, A-2, A-3, and A-4, respectively, and finds that the mailing and distribution of the Postcard Notice and publishing of the Summary Notice, substantially in the manner and form set forth in ¶¶10-11 of this Order, meet the requirements of Federal Rule of Civil Procedure 23 and due process, and is the best notice practicable under the circumstances and shall constitute due and sufficient notice to all Persons entitled thereto.

- 8. The firm of Gilardi & Co. LLC ("Claims Administrator") is hereby appointed to supervise and administer the notice procedure as well as the processing of claims as more fully set forth below.
- 9. McKesson shall provide, or cause to be provided, to Lead Counsel or the Claims Administrator, at no cost to Lead Plaintiff, the Settlement Fund, Lead Counsel or the Claims Administrator, within ten (10) calendar days after the Court enters this Order, documentation or data in the possession of McKesson or its present or former stock transfer agents sufficient to identify to the extent available the record holders of McKesson common stock during Class Period, and their last known addresses, email addresses (if available), or other similar information. The Parties shall determine an appropriate electronic format for provision of this information.
- 10. Lead Counsel, through the Claims Administrator, shall commence mailing the Postcard Notice, substantially in the form annexed hereto, within twenty (20) calendar days after the Court signs this Order (the "Notice Date"), by first-class mail to all Class Members who can be identified with reasonable effort. Contemporaneously with the mailing of the Postcard Notice, the Claims Administrator shall cause the Notice and Proof of Claim, substantially in the forms attached hereto, to be posted on the Settlement website at www.McKessonSecuritiesLitigation.com, from which copies of the documents can be downloaded.
- 11. Not later than seven (7) calendar days after the Notice Date, the Claims Administrator shall cause the Summary Notice to be published once in the national edition of *The Wall Street Journal* and once over a national newswire service.
- 12. At least seven (7) calendar days prior to the Settlement Hearing, Lead Counsel shall serve on Defendants' Counsel and file with the Court proof, by affidavit or declaration, of such mailing and publishing.
- 13. Nominees who purchased or acquired McKesson common stock for the beneficial ownership of Class Members during the Class Period shall (a) within seven (7) calendar days of receipt of the Postcard Notice request from the Claims Administrator sufficient copies of the Postcard Notice to forward to all such beneficial owners and within seven (7) calendar days of receipt of those documents forward them to all such beneficial owners; or (b) within seven (7) [PROPOSED] ORDER PRELIMINARILY APPROVING SETTLEMENT AND PROVIDING FOR NOTICE 3:18-cv-06525-CRB

calendar days of receipt of the Postcard Notice, send a list of the names and addresses of all such beneficial owners to the Claims Administrator in which event the Claims Administrator shall promptly mail the Notice Packet to such beneficial owners. Lead Counsel shall, if requested, reimburse banks, brokerage houses or other nominees solely for their reasonable out-of-pocket expenses incurred in providing notice to beneficial owners who are Class Members out of the Settlement Fund, which expenses would not have been incurred except for the sending of such notice, subject to further order of this Court with respect to any dispute concerning such compensation.

- 14. In order to be entitled to participate in the recovery from the Settlement Fund after the Effective Date, each Class Member shall take the following action and be subject to the following conditions:
  - a. A properly completed and executed Proof of Claim must be submitted to the Claims Administrator, at the post office box or electronic mailbox indicated in the Notice and Proof of Claim, postmarked no later than ninety (90) calendar days from the Notice Date. Such deadline may be further extended by Order of the Court. Each Proof of Claim shall be deemed to have been submitted when legibly postmarked (if properly addressed and mailed by first-class mail). Any Proof of Claim submitted in any other manner shall be deemed to have been submitted when it was actually received by the Claims Administrator at the address designated in the Notice.
  - b. The Proof of Claim submitted by each Class Member must satisfy the following conditions: (i) it must be properly filled out, signed and submitted in a timely manner in accordance with the provisions of the preceding subparagraph; (ii) it must be accompanied by adequate supporting documentation for the transactions reported therein, in the form of broker confirmation slips, broker account statements, an authorized statement from the broker containing the transactional information found in a broker confirmation slip, or such other documentation as is deemed adequate by the

- Once the Claims Administrator has considered a timely submitted Proof of c. Claim, it shall determine whether such claim is valid, deficient or rejected. For each claim determined to be either deficient or rejected, the Claims Administrator shall send a deficiency letter or rejection letter as appropriate, describing the basis on which the claim was so determined. Persons who timely submit a Proof of Claim that is deficient or otherwise rejected shall be afforded a reasonable time (at least twenty (20) calendar days) to cure such deficiency if it shall appear that such deficiency may be cured.

- 15. Any Class Member who does not timely submit a valid and timely Proof of Claim within the time provided for shall be barred from sharing in the distribution of the proceeds of the Settlement Fund, but will in all other respects be subject to and bound by the provisions of the Stipulation and the Judgment, if entered. The objection must identify all other class action settlements the objector and his, her or its counsel has previously objected to, copies of any papers, briefs, or other documents upon which the objection is based, and contain the objector's signature, even if represented by counsel. Class Members do not need to appear at the Settlement Hearing or take any other action to indicate their approval.
