1 We, Dan Reding and James E. Murray, declare as follows:

2 1. We are the Co-Chairmen of Lead Plaintiff and Class Representative Pension Trust
3 Fund for Operating Engineers (the “Fund”). As Co-Chairmen, we participate in and oversee
4 decisions regarding the Fund. We have overseen the Fund’s participation in this matter since
5 December 2018, when the Fund filed a motion to serve as lead plaintiff in this Action. We
6 respectfully submit this declaration in support of final approval of the proposed \$141 million
7 settlement (the “Settlement”).

8 2. The Fund is a Taft-Hartley multi-employer defined benefit plan with billions of
9 dollars in assets that provides pension benefits to heavy equipment operators, mechanics, and drillers
10 in Northern California, Northern Nevada, Utah, and Hawaii. The Fund has participated in and
11 monitored the progress of this Action since December 2018. Specifically, the Fund authorized its
12 counsel, Saltzman & Johnson Law Corporation, to participate in numerous meetings and conference
13 calls with Robbins Geller Rudman & Dowd LLP, closely follow the procedural developments in the
14 case, review motions and briefs filed with the Court, respond to discovery requests, and participate
15 in settlement discussions on behalf of the Fund.

16 3. As part of its duties as Class Representative, the Fund was committed to optimizing
17 the outcome of this Action. On behalf of the Fund, we have considered the circumstances and
18 believe that the proposed settlement amount of \$141 million represents an outstanding result for the
19 Class and the proposed settlement merits the Court’s approval.

20 4. While the Fund understands that the determination of attorneys’ fees is left to the
21 Court, the Fund supports Lead Counsel’s application for 25% of the settlement amount and
22 \$1,041,019.85 in expenses. On behalf of the Fund, we believe the request is fair, reasonable, and
